

Hi! My name is Baye, I am a 25-year-old Raleigh Native and attended college at Peace University. I started my career in retail and eventually opened up a women's online clothing store in 2022. Discovering a love for all things creativity through entrepreneurship, I am excited to bring my skills to the First Tee - Triangle.

Outside of work I am a proud dog mom to my 3-year-old Brittany Spaniel, and enjoy spending time on the coast of North Carolina.
